Enclosed is the list of our
Contributions to the Boston bazaar, I wish they had
been more - but under all the circumstances, at one
time we scarcely expected to have so much - & I hope that
next year, if still needed, we may all unite in
working with you. - our box will be sent along with
the Glasgow contributions but I rather think it will
be an independant box - being too large to incorporate
with theirs - I hope that all the contributions may
arrive in safety - & that they may bring a considerable
amount for your treasury. - The principal contributor (as
may be seen by the tickets) is Isabella Scott whose
exertions have been most zealous in the cause I whose
name I thought you would like to know more particularly.
The contributions in money will be forwarded through
W. H. Smeal's agent. I we should like the names
mentioned in the acknowledgement - & report of the
report of the bazaar. - I should not omit to mention
the name of Margaret Armour whose exertions have
been valuable to us in making up our small stock
this year. - I was much obliged for thy last kind
letter which was satisfactory to many of us - but there
was one thing which I wish to set right - be with it
to be understood that it is not from want of love
to the slave that some have withdrawn from contrib-
:uting to the bazaar - but simply from the reasons
stated in their resolution - & they are anxious never
to befriend the slave in some way which will not com-

promise their principles on other points. — I hope that a little care being exercised this difficulties may be removed & they may work with us again — We have lost by death some of our valuable friends since last year. Mrs Bruce for one, whose legacy to the American A.S. Society proved her zeal to the last. — Our friends the Hilditches are again prevented from visiting us — by their pecuniary situation & our friend Mary Worsdell by domestic circumstances. — Benjamin Wiffen has sent to the A.S. Office a pamphlet containing the Speech of Henry Vincent on the Fugitive Slave Bill which he delivered in the Music Hall Newcastle on Tyne. Oct 9th 1850. I have not had time to read it yet but I am sure it will be very good. — Edward Meredith has also sent a pamphlet containing the Speech of Thomas Spencer delivered in the Music Hall Newcastle on Tyne Oct 16
